GENERAL DESCRIPTION OF THE PROGRAMME

Capitalised terms used in this section headed “General Description of the Programme” shall bear the same meanings as those used in the Terms and Conditions, except to the extent that they are separately defined in this section or are clearly inappropriate from the context.

The Issuer may from time to time issue one or more Tranches of Notes under the Programme, pursuant to this Programme Memorandum, provided that the aggregate outstanding Nominal Amount of all of the Notes issued under the Programme (including Notes issued under the Programme pursuant to the Previous Programme Memoranda) from time to time does not exceed the Programme Amount.

A Tranche of Notes may be listed on the Interest Rate Market of the JSE, the NSX or on such other or additional Financial Exchange(s) as may be determined by the Issuer, subject to Applicable Laws. Unlisted Notes may also be issued under the Programme subject to Applicable Laws. The Applicable Pricing Supplement will specify whether or not a Tranche of Notes will be listed and, if so, on which Financial Exchange. If the Issuer issues a Tranche of unlisted Notes or a Tranche of Notes is listed on any Financial Exchange(s) other than (or in addition to) the JSE and/or the NSX, the Issuer will, by no later than the last day of the month of the issue of that Tranche of Notes, inform the JSE and the NSX in writing of the aggregate Nominal Amount and the Maturity Date (if any) of that Tranche of Notes.

This Programme Memorandum and any supplement thereto will only be valid for the issue of Notes in an aggregate Nominal Amount which, when added to the aggregate Nominal Amount then Outstanding of all the Notes previously or simultaneously issued under the Programme (including Notes issued under the Programme pursuant to the Previous Programme Memoranda), does not exceed the Programme Amount or its equivalent in other currencies. For the purpose of calculating the ZAR or the NAD equivalent, as the case may be, of the aggregate Nominal Amount of the Notes issued under the Programme from time to time, the ZAR or NAD equivalent, as the case may be, of the Notes denominated in another Specified Currency (as specified in the Applicable Pricing Supplement) shall be determined as of the date of issue of such Notes (the **Agreement Date**) on the basis of the spot rate for the sale of the ZAR or NAD, as the case may be, against the purchase of such Specified Currency in the South African or Namibian foreign exchange market, as the case may be, quoted by any leading bank selected by the Issuer on the Agreement Date (the **Conversion Rate**) and in respect of:

- (a) Zero Coupon Notes and other Notes, the Conversion Rate shall be applied to net subscription proceeds received by the Issuer for the relevant issue; and
- (b) Partly-Paid Notes and Index-Linked Notes, the Conversion Rate shall be applied to the Nominal Amount regardless of the amount paid up on such Notes.

From time to time the Issuer may wish to increase the Programme Amount. Subject to the Applicable Procedures, all Applicable Laws and the Programme Agreement (as defined in the section headed “*Subscription and Sale*”), the Issuer may, without the consent of Noteholders, increase the Programme Amount by delivering a notice thereof to the Noteholders in accordance with Condition 18 (*Notices*) of the Terms and Conditions, and to the Arranger, the Dealer(s), the JSE and the NSX. Upon such notice being given to the Noteholders and the conditions set out in the Programme Agreement to the exercise of this right having been met, all references in this Programme Memorandum (and each agreement, deed or document relating to the Programme and/or this Programme Memorandum) to the Programme Amount will be, and will be deemed to be, references to the increased Programme Amount set out in such notice.

This Programme Memorandum will only apply to all Notes issued under the Programme on or after the Programme Date.

A summary of the Programme and the Terms and Conditions appears below.

The Programme Amount at the time of the issue of any Tranche of Notes will be set out in the Applicable Pricing Supplement.

Status of Senior Notes

The Senior Notes constitute direct, unconditional, unsubordinated and (subject to Condition 7 (*Negative Pledge*)) unsecured obligations of the Issuer and rank *pari passu* and rateably without any preference among themselves (save for certain debts required to be preferred by law), equally with all other present and future unsecured and unsubordinated obligations of the Issuer from time to time outstanding.

Status and Characteristics relating to Subordinated Notes and Capital Regulations

The Subordinated Notes constitute direct, unconditional, unsecured and subordinated obligations of the Issuer and will rank *pari passu* among themselves and will rank at least *pari passu* with all other present and future unsecured and subordinated obligations of the Issuer.

In order for the proceeds of the issue of a Tranche of Subordinated Notes to qualify as Regulatory Capital, Subordinated Notes must comply with the applicable Capital Regulations and such Additional Conditions (if any) as are prescribed by the Bank of Namibia in respect of that Tranche of Subordinated Notes. The Issuer will specify in the Applicable Pricing Supplement whether any issue of Subordinated Notes is an issue of Notes, the proceeds of which are intended to qualify as Regulatory Capital. The Additional Conditions (if any) prescribed by the Bank of Namibia in respect of Subordinated Notes, the proceeds of which are intended to qualify as Regulatory Capital, will be specified in the Applicable Pricing Supplement or a supplement to the Programme Memorandum.

Subject to Applicable Laws, in the event of the dissolution of the Issuer or if the Issuer is placed into liquidation or wound up or is subject to business rescue proceedings (or judicial management (if applicable)), then and in any such event the claims of the persons entitled to be paid amounts due in respect of the Subordinated Notes shall be subordinated to all other claims in respect of any other indebtedness of the Issuer except for other Subordinated Indebtedness of the Issuer, to the extent that, in any such event, and provided as aforesaid, no amount shall be eligible for setting-off or shall be payable to any or all of the persons entitled to be paid amounts due in respect of the Subordinated Notes in respect of the obligations of the Issuer thereunder until all other indebtedness of the Issuer which is admissible in any such dissolution, liquidation, winding-up or business rescue proceedings (or judicial management (if applicable)) (other than Subordinated Indebtedness) has been paid or discharged in full.

Stabilisation

In connection with the issue and distribution of any Tranche of Notes under the Programme, the Dealer(s), if any, that is specified in the Applicable Pricing Supplement as the Stabilising Manager (or any person acting for the Stabilising Manager) may, if specified in that Applicable Pricing Supplement and only if such stabilising is permitted by the listings requirements of the JSE or the NSX, as the case may be, and approved by the JSE and the NSX, as the case may be, over-allot or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail for a limited period. However, there may be no obligation on the Stabilising Manager (or any agent of the Stabilising Manager) to do this. Such stabilising, if commenced, may be discontinued at any time and must be brought to an end after a limited period. Such stabilising shall be in compliance with all Applicable Laws, regulations and rules.

Taxation

A summary of the applicable tax legislation in respect of the Notes, as at the Programme Date, is set out in the section of this Programme Memorandum headed "*Taxation*". The summary does not constitute tax advice. Potential investors in the Notes should, before making an investment in the Notes, consult their own professional advisers as to the potential tax consequences of, and their tax positions in respect of, an investment in the Notes.

Terms and Conditions

The terms and conditions of the Notes are set out in the section of this Programme Memorandum headed "*Terms and Conditions of the Notes*". The Applicable Pricing Supplement(s) may specify other 'terms and conditions' which may replace, modify or supplement the Terms and Conditions in relation to specific terms and conditions of the Notes of any Tranche of Notes issued.

The Issuer will use the issue proceeds of the Notes to fund loans and advances to its customers and for its general corporate purposes, including but not limited to liquidity and capital management, the rearrangement of the term structure of funding in line with the Asset Liability Committee (**ALCO**) strategy and to comply with regulatory long term funding requirements, or as may otherwise be described in the Applicable Pricing Supplement.

Withholding Taxes

In the event that any withholding tax or such other deduction is required by Applicable Laws, then the Issuer will, subject to certain exceptions as provided in Condition 11 (*Taxation*), pay such additional amounts as shall be necessary in order that the net amounts received by the Noteholders after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes in the absence of such withholding or deduction (see additional section headed "*Taxation*").

INVESTOR CONSIDERATIONS/RISK FACTORS

All information pertaining to Investor Considerations/Risk Factors, as set out in the Information Statement, as amended and updated from time to time, will be incorporated by reference in, and form part of this Programme Memorandum, and will be available on the Issuer's website <https://www.bankwindhoek.com.na/About/MediumTermNote/Pages/Default.aspx>.

8. INTEREST

Each Fixed Rate Note bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date to (and excluding) the next Fixed Interest Payment Date as specified in the Applicable Pricing Supplement at the rate(s) per annum equal to the Fixed Rate of Interest so specified in the Applicable Pricing Supplement, payable in arrears on the Fixed Interest Payment Dates in each year up to and including the Maturity Date.
- 8.1.2. In accordance with the Capital Regulations applicable to Capital Notes, the Issuer may have the right to defer the due date for payment of capital and/or interest in relation to Subordinated Notes the proceeds of which are intended to qualify as Regulatory Capital and the Issuer may have the right to elect not to pay interest in relation to Subordinated Notes the proceeds of which intended to qualify as Regulatory Capital, as further set out in the Applicable Pricing Supplement.
- 8.1.3. The first payment of interest will be made on the Fixed Interest Payment Date immediately following the Interest Commencement Date.
- 8.1.4. Except as provided in the Applicable Pricing Supplement, the amount of interest payable per Note on each Fixed Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount, provided that:
- (a) if an Initial Broken Amount is specified in the Applicable Pricing Supplement, then the first Interest Amount shall equal the Initial Broken Amount specified in the Applicable Pricing Supplement; and
 - (b) if a Final Broken Amount is specified in the Applicable Pricing Supplement, then the final Interest Amount shall equal the Final Broken Amount.
- 8.1.5. If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Fixed Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, as specified in the Applicable Pricing Supplement, and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half such Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

8.2. Floating Rate Notes and Indexed Interest Notes

8.2.1. *Interest Payment Dates*

Each Floating Rate Note and Indexed Interest Note bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement, and such interest will be payable in arrears on the Interest Payment Date(s) in each year specified in the Applicable Pricing Supplement. Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

8.2.2. *Deferral of Principal and Interest in respect of Capital Notes*

In accordance with the Capital Regulations applicable to Capital Notes, the Issuer may have the right to defer the due date for payment of capital and/or interest in relation to Subordinated Notes the proceeds of which are intended to qualify as Regulatory Capital and the Issuer may have the right to elect not to pay interest in relation to Subordinated Notes the proceeds of which are intended to qualify as Regulatory Capital, as further set out in the Applicable Pricing Supplement.

8.2.3. *Rate of Interest*

The Rate of Interest payable from time to time in respect of the Floating Rate Notes and Indexed Interest Notes will be determined in the manner specified in the Applicable Pricing Supplement.

8.2.4. *Minimum and/or Maximum Rate of Interest*

If the Applicable Pricing Supplement specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. If the Applicable Pricing Supplement specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

8.2.5. *Determination of Rate of Interest and Calculation of Interest Amount*

The Calculation Agent, in the case of Floating Rate Notes and Indexed Interest Notes will at, or as soon as is practicable after, each time at which the Rate of Interest is to be determined, determine the Rate of Interest and calculate the Interest Amount payable in respect of each Floating Rate Note and Indexed Interest Note in respect of each Specified Denomination for the relevant Interest Period, and the Calculation Agent shall notify the Issuer of the Rate of Interest for the relevant Interest Period as soon as is practicable after calculating the same. Each Interest Amount shall be calculated by applying the Rate of Interest to the Specified Denomination, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half a Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

8.2.6. *Interest Determination, Screen Rate Determination including Fallback Provisions*

Where ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any). For the purposes of this sub-paragraph, **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate (as defined in the ISDA Definitions) that would be determined by such agent as a notional under an interest rate swap transaction if that agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the most recent ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the Applicable Pricing Supplement;
- (b) the Designated Maturity is the period specified in the Applicable Pricing Supplement; and
- (c) the relevant Reset Date is either (i) if the applicable Floating Rate Option is ZAR-JIBAR-SAFEX or its equivalent in Namibia, as the case may be, the first day of the applicable Interest Period; or (ii) in any other case, as specified in the Applicable Pricing Supplement.

For the purposes of the above sub-paragraph **Floating Rate**, **Floating Rate Option**, **Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions specified in the Applicable Pricing Supplement.

Where Screen Rate Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject to the provisions below, be either:

- (a) if the Relevant Screen Page is available,
 - (i) the offered quotation (if only one quotation appears on the screen page); or
 - (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage per annum) for the Reference Rate which appears on the Relevant Screen Page as at 11h00 (or as otherwise specified in the Applicable Pricing Supplement) (Johannesburg time or Windhoek, as the case may be) on the Interest Rate Determination Date in question plus or minus (as indicated in the

Applicable Pricing Supplement) the Margin (if any), all as determined by the Calculation Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations; or

- (b) if the Relevant Screen Page is not available or if, in the case of (i) above, no such offered quotation appears or, in the case of (ii) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph, the Calculation Agent shall request the principal Johannesburg or Windhoek office (as the case may be) of each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11h00 (Johannesburg time or Windhoek time, as the case may be) on the Interest Rate Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent; or
- (c) if the Rate of Interest cannot be determined by applying the provisions of (a) and (b) above, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks offered, at approximately 11h00 (Johannesburg time or Windhoek time, as the case may be) on the relevant Interest Rate Determination Date, deposits in an amount approximately equal to the Nominal Amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate to prime banks in the Johannesburg or Windhoek (as the case may be) inter-bank market plus or minus (as appropriate) the Margin (if any). If fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the Rate of Interest for the relevant Interest Period will be determined by the Calculation Agent as the arithmetic mean (rounded as provided above) of the rates for deposits in an amount approximately equal to the Nominal Amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate, quoted at approximately 11h00 (Johannesburg time or Windhoek time, as the case may be) on the relevant Interest Rate Determination Date, by the Reference Banks plus or minus (as appropriate) the Margin (if any). If the Rate of Interest cannot be determined in accordance with the foregoing provisions of this Condition 8.2 (*Floating Rate Notes and Indexed Interest Notes*), the Rate of Interest shall be determined as at the last preceding Interest Rate Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the Applicable Pricing Supplement as being other than ZAR-JIBAR-SAFEX or its equivalent in Windhoek, as the case may be, the Rate of Interest in respect of such Notes will be determined as provided in the Applicable Pricing Supplement.

8.2.7. *Notification of Rate of Interest and Interest Amount*

The Issuer will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be announced on SENS and notified to the JSE or the NSX, as the case may be, and the CSD and/or every other relevant exchange or authority as soon as possible after their determination but in any event no later than the 3rd (third) Business Day before the relevant Interest Payment Date. Each Interest Amount, Interest Payment Date or effective Rate of Interest, as the case may be,

so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period or a change in the effective Rate of Interest. Any such amendment will be promptly notified to the JSE or the NSX, as the case may be, the CSD and/or every other relevant exchange or authority and to the Noteholders in accordance with Condition 18 (*Notices*) and at least three Business Days prior to the relevant Interest Payment Date.

8.2.8. *Certificates to be Final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 8.2 (*Floating Rate Notes and Indexed Interest Notes*), by the Calculation Agent shall (in the absence of wilful deceit, bad faith or manifest error or proven error) be binding on the Issuer and all Noteholders and in the absence as aforesaid no liability to the Issuer or the Noteholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

8.3. **Dual Currency Interest Notes**

In the case of Dual Currency Interest Notes, the Interest Rate or Interest Amount payable shall be determined in the manner specified in the Applicable Pricing Supplement.

8.4. **Mixed Rate Notes**

The Interest Rate payable from time to time on Mixed Rate Notes shall be the Interest Rate payable on the form of interest-bearing Note (be it a Fixed Rate Note, Floating Rate Note, Index-Linked Note, Dual Currency Note or Other Note) specified for each respective period, each as specified in the Applicable Pricing Supplement. During each such applicable period, the Interest Rate on the Mixed Rate Notes shall be determined and fall due for payment on the basis that such Mixed Rate Notes are Fixed Rate Notes, Floating Rate Notes, Index-Linked Notes, Dual Currency Notes or Other Notes, as the case may be.

8.5. **Accrual of Interest**

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date of its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue at the Default Rate specified in the Applicable Pricing Supplement until the date on which all amounts due in respect of such Note have been paid, or, in respect of uncertificated SA Notes, the date on which the full amount of the money payable has been received by the CSD and/or the Relevant Participants and notice to that effect has been given to Noteholders in accordance with Condition 18 (*Notices*).

8.6. **Business Day Convention**

If any Interest Payment Date (or other date), which is specified in the Applicable Pricing Supplement to be subject to adjustment in accordance with a Business Day Convention, would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is:

- (a) the **Floating Rate Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event: (i) such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day and (ii) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the number of months, or other period specified as the Interest Period in the Applicable Pricing Supplement, after the preceding applicable Interest Payment Date (or other date) has occurred; or
- (b) the **Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day; or
- (c) the **Modified Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other such date) shall be brought forward to the first preceding Business Day; or

- (d) the **Preceding Business Day Convention**, such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day.

- 9.2.1. Payments will be made in the Specified Currency by credit or transfer, by means of electronic settlement, to the Noteholder.
- 9.2.2. Such payments by cheque shall be sent by post to the address of the Noteholder as set forth in the relevant Register or, in the case of joint Noteholders, the address set forth in the relevant Register of that one of them who is first named in the relevant Register in respect of that Note.
- 9.2.3. Each such cheque shall be made payable to the relevant Noteholder or, in the case of joint Noteholders, the first one of them named in the relevant Register. - 9.2.5. Payment will be subject in all cases to any fiscal or other laws, directives and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 11 (*Taxation*).

9.3. Payment Day

If the date for payment of any amount in respect of any Note is not a Business Day in the relevant place of payment, the applicable Business Day Convention shall apply and the holder shall not be entitled to further interest or other payment in respect of any delay in payment, or if the Business Day Convention is not applicable, the holder thereof shall not be entitled to

payment until the next following Business Day and the holder shall not be entitled to further interest or other payment in respect of such delay.

- (b) the requirement cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 (ninety) days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Notes may be redeemed by the Issuer in accordance with this Condition 10.2 (*Redemption for Tax Reasons*) in whole or in part. A redemption in part may be effected by the Issuer:

- (c) notwithstanding that such partial redemption may not entirely avoid such obligation to pay additional amounts as provided for or referred to in Condition 11 (*Taxation*); and

No exchange of the relevant uncertificated SA Notes will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph, and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 18 (*Notices*) at least 10 (ten) days prior to the Selection Date.
- 10.3.5. Holders of Redeemed Notes shall surrender the Individual Certificates, if any, representing the Notes in accordance with the provisions of the notice given to them by the Issuer as contemplated above. - 10.4.5. In the event that the redeeming Noteholder is the holder of an Individual Certificate, then such Noteholder shall (attached to the Put Notice) deliver the Individual Certificate to the relevant Transfer Agent for cancellation. A holder of an Individual Certificate shall, in that holder's Put Notice, specify a bank account into which the redemption payment amount is to be paid.
- 10.4.6. The delivery of Put Notices shall be required to take place during normal office hours to the Issuer and relevant Transfer Agent. Put Notices shall be available for inspection at the Specified Offices of the relevant Transfer Agent.

The Dealers have in terms of the amended and restated programme agreement dated on or about [•] 2018, as may be amended, supplemented or restated from time to time (the **Programme Agreement**), agreed with the Issuer a basis upon which they may from time to time agree to subscribe for Notes or procure the subscription of the Notes.

Selling restrictions

South Africa

The Dealers have (or will have) represented, warranted and agreed that they (i) will not offer Notes for subscription, (ii) will not solicit any offers for subscription for or sale of the Notes, and (iii) will itself not sell or offer the Notes in South Africa in contravention of the South African Companies Act, South African Banks Act, South African Exchange Control Regulations and/or any other Applicable Laws and regulations of South Africa in force from time to time.

Prior to the issue of any Tranche of Notes under the Programme, the Dealer(s) who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that it will not make an “offer to the public” (as such expression is defined in the South African Companies Act, and which expression includes any section of the public) of Notes (whether for subscription, purchase or sale) in South Africa. This Programme Memorandum does not, nor is it intended to, constitute a prospectus prepared and registered under the South African Companies Act.

Offers not deemed to be offers to the public

Offers for subscription for, or sale of, Notes are not deemed to be offers to the public if:

- (a) made to certain investors contemplated in section 96(1)(a) of the South African Companies Act; or
- (b) the total contemplated acquisition cost of Notes, for any single addressee acting as principal, is equal to or greater than ZAR1,000,000, or such higher amount as may be promulgated by notice in the Government Gazette of South Africa pursuant to section 96(2)(a) of the South African Companies Act.

Information made available in this Programme Memorandum should not be considered as “*advice*” as defined in the South African Financial Advisory and Intermediary Services Act, 2002.

Namibia

Each Dealer has (or will have) represented, warranted and agreed that it (i) will not offer Notes for subscription, (ii) will not solicit any offers for subscription for or sale of the Notes, and (iii) will itself not sell or offer the Notes in Namibia in contravention of the Namibian Companies Act, the Namibian Banking Institutions Act, the Namibian Exchange Control Regulations and any other Applicable Laws of Namibia in force from time to time. This Programme Memorandum does not, nor is it intended to, constitute a “*prospectus*” (as contemplated in the Namibian Companies Act) and each relevant Dealer will represent and agree that, in relation to the placing of the relevant Tranche(s) of Notes, it will not make an “offer to the public” (as such expression is defined in the Namibian Companies Act) of any such Notes (whether for subscription, purchase or sale).

In terms of the Namibian Stock Exchanges Control Act, 1985 (the **Stock Exchanges Control Act**), no Person may carry on the business of buying and selling securities in Namibia unless such Person is either a registered banking institution (within the meaning of the Namibian Banking Institutions Act) or a registered stock broker. The term “*securities*” includes debentures and treasury bills issued by the Republic of Namibia. Accordingly, any Person engaging in the business of buying or selling the Notes in Namibia may be required to register as a stock broker in terms of the Stock Exchanges Control Act.

United States

The Notes have not been and will not be registered under the United States Securities Act of 1933, (the **Securities Act**) and may not be offered or sold within the United States or to, or for the account of or benefit of, U.S. Persons except in certain transactions exempt from the registration requirements of the

Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that:

- (a) the Notes in that Tranche have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account of or benefit of, U.S. Persons except in certain transactions exempt from the registration requirements of the Securities Act;

- (c) it will send to each dealer to which it sells any Notes in that Tranche during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of such Notes within the United States or to, or for the account or benefit of, U.S. Persons; and
- (d) it, its Affiliates and any Persons acting on its or any of its Affiliates behalf have not engaged and will not engage in any directed selling efforts in the United States (as defined in Regulation S under the Securities Act) with respect to the Notes in that Tranche and it, its Affiliates and any Persons acting on its or any of its Affiliates' behalf have complied and will comply with the offering restrictions requirements of Regulation S.

Until 40 (forty) days after the commencement of the offering of a Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an exemption from registration under the Securities Act.

European Economic Area

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that, in relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each a **Relevant Member State**), with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of any of such Notes to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of any of such Notes to the public in that Relevant Member State:

- (a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) at any time to fewer than 100 (one hundred) or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150 (one hundred and fifty), natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (c) at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive.

Provided that no such offer referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “*offer of Notes to the public*” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “*Prospectus Directive*” means Directive 2003/71/EC (and amendments thereto including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and includes any

relevant implementing measure in each Relevant Member State and the expression “2010 PD Amending Directive” means Directive 2010/73/EU.

Each Dealer has (or will have) represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that any commission, fee or non-monetary benefit received from the Issuer complies with the applicable rules set out in the Markets in Financial Instrument Directive 2014/65/EU, as may be amended or replaced from time to time (**MiFID II**).

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any of the Notes in that Tranche in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any of the Notes in that Tranche in, from or otherwise involving the United Kingdom.

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to agree that:

- (a) it will (to the best of its knowledge and belief) comply with all applicable securities laws and regulations in force in each jurisdiction in which it purchases, subscribes or procures the subscription for, offers or sells Notes in that Tranche or has in its possession or distributes the Programme Memorandum and will obtain any consent, approval or permission required by it for the purchase, subscription, offer or sale by it of Notes in that Tranche under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, subscription, offers or sales;
- (b) it will comply with such other or additional restrictions as the Issuer and such Dealer agree and as are set out in the Applicable Pricing Supplement.

Neither the Issuer nor any of the Dealer represent that Notes may at any time lawfully be subscribed for or sold in compliance with any applicable registration or other requirements in any jurisdiction or pursuant to any exemption available thereunder or assumes any responsibility for facilitating such subscription or sale.

TAXATION

Capitalised terms used in this section headed “Taxation” shall bear the same meanings as those used in the Terms and Conditions, except to the extent that they are separately defined in that section or are clearly inappropriate from the context.

The comments below are intended as a general guide to the relevant tax laws of South Africa and Namibia as at the Programme Date. The contents of this section headed “Taxation” do not constitute tax advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.

South Africa

Securities Transfer Tax

The issue, transfer and redemption of the SA Notes will not attract securities transfer tax under the Securities Transfer Tax Act, 2007 (the **STT Act**) because the SA Notes do not constitute “securities” as defined in the STT Act. Any future transfer duties and/or taxes that may be introduced in respect of (or applicable to) the transfer of SA Notes will be for the account of holders of the SA Notes.

Value-Added Tax

No value-added tax (**VAT**) is payable on the issue or transfer of the SA Notes. The issue, sale or transfer of the SA Notes constitute “financial services” as defined in section 2 of the Value-Added Tax Act, 1991 (the **VAT Act**). In terms of section 2 of the VAT Act, the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of a debt security as well as the buying and selling of derivatives constitute a financial service, which is exempt from VAT in terms of section 12(a) of the VAT Act. The SA Notes constitute “*debt securities*” as defined in section 2(2)(iii) of the VAT Act.

However, commissions, fees or similar charges raised for the facilitation of the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of SA Notes will be subject to VAT at the standard rate (currently 15 percent), except where the recipient is a non-resident as contemplated below.

Services (including exempt financial services) rendered to non-residents who are not in South Africa when the services are rendered, are subject to VAT at the zero rate in terms of section 11(2)(l) of the VAT Act.

Income Tax

Under current South African tax laws a “*resident*” (as defined in section 1 of the Income Tax Act, 1962 (the **Income Tax Act**)) is subject to income tax on his/her worldwide income. Accordingly, all SA Noteholders who are “*residents*” of South Africa will generally be liable to pay income tax, subject to available deductions, allowances and exemptions, on any income (including income in the form of interest) earned in respect of the SA Notes. Non-residents of South Africa are subject to income tax on all income derived from a South African source (subject to domestic exemptions or relief in terms of an applicable double taxation treaty).

Interest income is derived from a South African source if that amount:

- (a) is incurred by a person that is a South African tax resident, unless the interest is attributable to a foreign permanent establishment of that resident; or
- (b) is derived from the utilisation or application in South Africa by any person of any funds or credit obtained in terms of any form of “*interest-bearing arrangement*”.

The SA Notes will constitute an “*interest-bearing arrangement*”. The Issuer is tax resident in South Africa as at the Programme Date. Accordingly, unless the SA Notes are attributable to a permanent establishment of the Issuer outside of South Africa, the interest paid to the SA Noteholders will be from a South African source and subject to South African income tax unless such income is exempt under section 10(1)(h) of the Income Tax Act (see below).

Under section 10(1)(h) of the Income Tax Act, any amount of interest that is received or accrued by or to a Noteholder who, or which, is not a resident of South Africa during any year of assessment is exempt from income tax, unless:

- (a) that person is a natural person who was physically present in South Africa for a period exceeding 183 days in aggregate during the twelve month period preceding the date on which the interest is received by, or accrues to, that person; or
- (b) the debt from which the interest arises is effectively connected to a permanent establishment of that person in South Africa.

If a Noteholder does not qualify for the exemption under section 10(1)(h) of the Income Tax Act, an exemption from, or reduction of any South African income tax liability may be available under an applicable double taxation treaty.

Furthermore, certain entities may be exempt from income tax. Purchasers are advised to consult their own professional advisers as to whether the interest income earned on the SA Notes will be exempt under section 10(1)(h) of the Income Tax Act or under an applicable double taxation treaty.

Under section 24J of the Income Tax Act, broadly speaking, any discount or premium to the principal amount of a Note is treated as part of the interest income on the Note. Interest income which accrues (or is deemed to accrue) to a Noteholder is deemed, in accordance with section 24J of the Income Tax Act, to accrue on a day-to-day basis until that Noteholder disposes of the Note or until maturity unless an election has been made by the Noteholder, which is a company, if the Noteholder is entitled under section 24J(9) of the Income Tax Act to make such election, to treat its SA Notes as trading stock on a mark-to-market basis. This day-to-day basis accrual is determined by calculating the yield to maturity (as defined in section 24J of the Income Tax Act) and applying this rate to the capital involved for the relevant tax period. The premium or discount is treated as interest for the purposes of the exemption under section 10(1)(h) of the Income Tax Act.

Section 24JB deals with the fair value taxation of financial instruments for certain types of taxpayers ("*covered persons*"). SA Noteholders should seek advice as to whether these provisions may apply to them.

The tax treatment of subordinated SA Notes where the Issuer has no obligation to make interest and/or capital payments, the proceeds of which qualify as primary share capital may differ from the section 24J treatment noted above.

To the extent the disposal of the Note gives rise to a gain or a loss, the normal principles are to be applied in determining whether such gain or loss should be subject to income tax in terms of the Income Tax Act.

Capital Gains Tax

Capital gains and losses of residents of South Africa on the disposal of SA Notes are subject to capital gains tax unless the SA Notes are purchased for re-sale in the short term as part of a scheme of profit making, in which case the proceeds will be subject to income tax. Any discount or premium on acquisition which has already been treated as interest for income tax purposes under section 24J of the Income Tax Act will not be taken into account when determining any capital gain or loss. If the SA Notes are disposed of or redeemed prior to or on maturity, a gain or loss must be calculated. The gain or loss is deemed to have been incurred or to have accrued in the year of assessment in which the transfer or redemption occurred. The calculation of the gain or loss will take into account interest which has already accrued or been incurred during the period in which the transfer or redemption occurs. In terms of section 24J(4A) of the Income Tax Act, where an adjusted loss on transfer or redemption includes interest which has been included in the income of the holder, that amount qualifies as a deduction from the income of the holder during the year of assessment in which the transfer or redemption takes place.

Capital gains tax under the Eighth Schedule to the Income Tax Act will not be levied in relation to SA Notes disposed of by a Person who is not a resident of South Africa unless the SA Notes disposed of are attributable to a permanent establishment of that Person through which a trade is carried on in South Africa during the relevant year of assessment.

Purchasers are advised to consult their own professional advisers as to whether a disposal of SA Notes will result in a liability to capital gains tax.

Withholding Tax

A final withholding tax on interest which is levied at the rate of 15% applies to interest payments made from a South African source to foreign persons (i.e. non-residents), subject to certain exemptions (see below). South Africa is also a party to double taxation treaties that may provide full or partial relief from the withholding tax on interest, provided that certain requirements are met.

The available exemptions apply in respect of the instrument giving rise to the interest, to the foreign person receiving the interest, or to the person liable for the interest (i.e. the Issuer).

Regarding the exemptions applicable in respect of the instrument, an amount of interest is exempt if it is paid to a foreign person in terms of “*listed debt*”, being debt listed on a “*recognised exchange*”, as defined in terms of paragraph 1 of the Eighth Schedule to the Income Tax Act. The SA Notes may be listed on a recognised exchange. Thus, to the extent that the SA Notes remain listed on that exchange (and to the extent that that exchange remains a recognised exchange), any interest paid to a foreign person in respect of the SA Notes will be exempt from the withholding tax on interest. If the SA Notes are not listed on a recognised exchange, then the interest paid to a foreign person will not be exempt from the withholding tax on interest unless another exemption is applicable.

Regarding the exemptions applicable in respect of the foreign person receiving the interest, an amount of interest is exempt if–

- (a) that foreign person is a natural person who was physically present in South Africa for a period exceeding 183 days in aggregate during the twelve month period preceding the date on which the interest is paid;
- (b) the debt claim in respect of which that interest is paid is effectively connected with a permanent establishment of that foreign person in South Africa, if that foreign person is registered as a taxpayer in terms of Chapter 3 of the Tax Administration Act, 2011; and
- (c) The foreign person submits a declaration confirming their exemption to the person liable for the payment of the interest before payment of the interest is made.

If a foreign person does not qualify for the above exemption, then any interest paid to that foreign person will not be exempt from the withholding tax on interest unless another exemption is applicable.

Regarding the exemptions applicable in respect of the person liable for the interest, none of these will be applicable in respect of the Issuer. Thus, if the exemptions in respect of listed debt and foreign persons above are not applicable, then any interest paid to a foreign person will not be exempt from the withholding tax.

Definition of Interest

The references to “*interest*” above mean “*interest*” as understood in South African tax law. The statements above do not take account of any different definitions of “*interest*” or “*principal*” which may prevail under any other law or which may be created by the Terms and Conditions or any related documentation.

Namibia

Income Tax

Interest received by or accrued to any Namibian domestic company or any person who is ordinarily resident in Namibia shall be deemed to have been derived from a source within Namibia, unless the provisions of section 16(1)(r) of the Namibian Income Tax Act apply or relief is provided under a double taxation treaty.

Under section 16(1)(r) of the Namibian Income Tax Act, interest received by or accrued to any Namibian domestic company or any person who is ordinarily resident in Namibia in respect of any loan, deposit, advance, participation bond, debenture or interest bearing security which accrues from a source outside of Namibia shall be exempt from income tax, subject to the conditions prescribed in section 16(1)(r) of the Namibian Income Tax Act being proved to the satisfaction of the relevant authority.

Withholding Tax

In terms of section 34A of the Namibian Income Tax Act, as at the Programme Date, there is levied a withholding tax equal to 10% (ten percent) of any amount of interest (excluding interest on negotiable

instruments) accruing to or in favour of any person, other than a Namibian company, from a banking institution registered under the Namibian Banking Institutions Act.

Stamp Duty

Stamp duties of NAD2.00 per every NAD1,000 of the Nominal Amount of the Notes are payable by the Issuer to the Namibian Receiver of Revenue on the original issue of such Notes. On the transfer of the SA Notes, stamp duties of NAD2.00 per every NAD1,000 is payable by the transferee, but is exempted if the instrument of transfer is executed outside of Namibia and the registration of transfer is effected in a branch register kept by the Issuer outside of Namibia and provided that the Permanent Secretary of the Namibian Ministry of Finance (the **Permanent Secretary**) is satisfied that –

- (a) such branch register is kept in a country in which there is a recognised stock exchange;
- (b) the marketable securities which have been issued by the Issuer are of the same kind as the marketable security in respect of which the registration of transfer is effected and are regularly bought and sold on that stock exchange; and
- (c) such branch register is kept solely or mainly for the convenience of investors who are not ordinarily resident in Namibia,

and the Permanent Secretary has notified the Issuer that he or she is so satisfied.

EXCHANGE CONTROL

Capitalised terms used in this section headed “Exchange Control” shall bear the same meanings as those used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The information below is intended as a general guide to the position under the Exchange Control Regulations as at the Programme Date. The South African Exchange Control Regulations and the Namibian Exchange Control Regulations are subject to change at any time without notice. The contents of this section headed “Exchange Control” do not constitute exchange control advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.

South Africa/Namibia

Non-South African or non-Namibian resident Noteholders and emigrants from the Common Monetary Area

Dealings in the SA Notes and/or NAM Notes and the performance by the Issuer of its obligations under the SA Notes and/or NAM Notes and the Terms and Conditions may be subject to the South African Exchange Control Regulations or Namibian Exchange Control Regulations, as the case may be.

Blocked Rand/Namibian Dollars

Blocked Rand and/or Blocked Namibian Dollars may be used for the subscription for or purchase of SA Notes and/or NAM Notes respectively. Any amounts payable by the Issuer in respect of the SA Notes subscribed for or purchased with Blocked Rand may not, in terms of the South African Exchange Control Regulations, be remitted out of South Africa or paid into any non-South African bank account.

Any amounts payable by the Issuer in respect of NAM Notes subscribed for or purchased with Blocked Namibian Dollars may not, in terms of Namibian Exchange Control Regulations, be remitted out of Namibia or paid to any non-Namibian bank account unless specific approval is sought and obtained from the Bank of Namibia via the Authorised Dealer concerned.

Emigrants from the Common Monetary Area

Any Individual Certificates issued to Noteholders who are emigrants from the Common Monetary Area will be endorsed “*non-resident*”. Such restrictively endorsed Individual Certificates shall be deposited with an authorised foreign exchange dealer controlling such emigrant’s blocked assets.

In the event that a Beneficial Interest in SA Notes is held by an emigrant from the Common Monetary Area through the SA CSD, the securities account maintained for such emigrant by the Relevant Participant will be designated as a “*non-resident*” account.

Any payments of interest and/or principal due to a Noteholder who is an emigrant from the Common Monetary Area will be deposited into such emigrant Noteholder’s non-resident Rand or Namibian Dollar account, as the case may be. Only interest amounts are freely transferable from the Common Monetary Area. Payments of principal may only be dealt with in terms of the South African Exchange Control Regulations or Namibian Exchange Control Regulations, as the case may be.

Non-residents of the Common Monetary Area

Any Individual Certificates issued to Noteholders who are not resident in the Common Monetary Area will be endorsed “*non-resident*”. In the event that a Beneficial Interest in SA Notes is held by a non-resident of the Common Monetary Area through the CSD, the securities account maintained for such Noteholder by the Relevant Participant will be designated as a “*non-resident*” account.

It will be incumbent on any such non-resident Noteholder to instruct the non-resident’s nominated or authorised dealer in foreign exchange as to how any funds due to such non-resident in respect of SA Notes or NAM Notes, as the case may be, are to be dealt with. Such funds may, in terms of the South African Exchange Control Regulations and/or the Namibian Exchange Control Regulations, be remitted abroad only if the relevant SA Notes and/or NAM Notes, as the case may be, are acquired with foreign currency introduced into South Africa or Namibia and provided that the relevant Individual Certificate has been endorsed “*non-resident*” or the relevant securities account has been designated as a “*non-resident*” account, as the case may be.
