As part of this Vibe campaign, students receive an account opening deposit voucher from Bank Windhoek to the value of N\$100, which means that they can open a Vibe account without needing the required N\$100 opening deposit.

Bank Windhoek also launched an exciting "Vibe Selfie" competition for students as part of the Vibe campaign. To enter the Vibe Selfie competition, a student must open a Bank Windhoek Vibe account and take a selfie (a photo of themselves) with their career aspiration in the background and post it onto the Bank Windhoek Group Competition Facebook page. We encourage students to be as creative as possible when taking their selfie, as the winning selfie will be judged on creativity and originality.

The competition is not only a demonstration of Bank Windhoek's commitment to assisting the youth to further their studies, but it is also gives them a chance to open an account at no cost as the minimum opening balance has been waived during the running of the campaign.
